ii. DC-HE/2026/2391 dated 11-08-2026 (In-Person Counselling Round);
iii. DC-HE/2026/2486 dated 20-08-2026 (Conclusion of Phase-I).

The Department of Higher Education, Government of Jammu & Kashmir, announces the commencement of Phase-II of admissions for the Academic Session 2026-27 to Four-Year Undergraduate Programs (FYUGP) / 5-Year Integrated P.G. Programs (IPG) with multiple-exit options across Government Degree Colleges of J&K, against leftover vacant seats and seats reclaimed on account of cancellation / non-payment of fee after the conclusion of Phase-I.

Phase-II is being opened consequent upon the declaration of the results of the Biannual / Supplementary / Private Examination of Class 12th, Session 2026, by the Jammu & Kashmir Board of School Education and other recognised Boards, so that candidates qualifying in the said examinations are not deprived of admission to higher education in the current academic session.

Admissions in Phase-II shall be conducted through the Centralised Admission Portal **<https://jkadmissions.in>**, on the basis of 10+2 merit, eligibility and availability of vacant seats.

A. Eligibility

The following categories of candidates are eligible to participate in Phase-II, subject to fulfilment of the prescribed eligibility conditions:

1. Candidates who have qualified the Biannual / Supplementary / Private Examination of Class 12th, Session 2026, conducted by JKBOSE or any other recognised Board;
2. Candidates who had registered on the Admission Portal during Phase-I but did not secure admission in any college / programme;
3. Candidates who were allotted a seat in any round of Phase-I but did not complete the admission formalities;
4. Candidates whose applications were rejected during verification on account of incorrect information, marks, category claims or eligibility issues, provided they now satisfy all applicable eligibility conditions.

Candidates who have already secured and confirmed admission in any Government Degree College during Phase-I, and candidates who cancelled a confirmed admission, shall not be eligible to participate in Phase-II.

Admissions shall be made against vacant seats under Open Merit, CDP and Achievement Categories, including NCC, NSS, ECA and Sports. All vacant non-supernumerary category seats, excluding CDP and Achievement Category seats, shall stand converted to Open Merit for Phase-II.

Government of Jammu and Kashmir
Directorate of Colleges
Higher Education Department

B. Modes of Admission

Vacant seats in Phase-II shall be filled through **two parallel modes**:

Where a candidate subsequently accepts another seat, the earlier admission shall stand modified accordingly and the fee already paid shall be adjusted in accordance with the rules in force. This will be available only in respect of admissions secured during Phase-II.

2. Admissions under CDP and Achievement Categories shall be made according to the applicable norms of the affiliating university and on the basis of merit.

Government of Jammu and Kashmir
Directorate of Colleges
Higher Education Department

3. Submission of an application or of programme choices does not guarantee admission. Admission shall be confirmed only after physical reporting at the college as per its published schedule, on the basis of merit among the candidates reporting, and after verification of original documents and payment of the prescribed fee online.
4. A candidate who secures admission during counselling may attend counselling for another chosen programme or college. If the candidate subsequently accepts another seat, the earlier admission shall stand modified and the fee already paid shall be adjusted in accordance with the rules in force.

F. Walk-in Admission for Programmes Listed at Annexure 'B'

For colleges and programmes listed at **Annexure 'B'**, eligible candidates may directly approach the college concerned for walk-in admission from 01-09-2026 up to 10-09-2026, subject to availability of vacant seats. Candidates seeking walk-in admission **must be registered on the Centralised Admission Portal before reporting to the college**, and the admission fee shall be deposited online through the Portal only. The admission process, including payment of the online fee and physical verification of original documents, must be completed by the same date.

Where the number of candidates reporting for a walk-in programme exceeds the seats available, admission shall be granted on the basis of merit lists drawn up by the college from among the applications received, strictly on the basis of 10+2 merit.
